Extreme Workshop for Interpreters

Title:	Interpreters Gone Wild! <i>Professional imaging for today's interpreter</i>
Educational Objectives:	<p>A refreshing, inspirational and practical workshop for today interpreter. Arizona is a leader when it comes to raising the standards for professional sign language interpreters. Our community possesses a melting pot of interpreters consisting of various levels, experiences, backgrounds, philosophies and approach to the profession.</p> <p>As independent contractors, we often lack the opportunity for feedback, evaluation or support with regard to our work. Perhaps some agencies won't call you or some interpreters and / or clients refuse to work with you? Maybe you would like to develop a greater level of professionalism but not sure where to start? Good news....</p> <p>This dynamic workshop has been created to sharpen your image as a professional. We will dive into the following disciplines:</p> <ul style="list-style-type: none"> G- gainfully defining, explaining and advocating the need for interpreters and CDI's O- open forum among colleagues for discussing "sticky issues" N-No-no's that can ruin your reputation as a professional with clients and colleagues E- Ethics W- working as a subcontractor with agencies I- Interpreting in teams L-Liability and what it means to sub-contractors D- Dress
