

# ASLID & AZTI Spring & Summer Series

*Extreme Workshop for Interpreters*

<b>Title:</b>	<b>When Pigs Fly...oink oink!</b> <i>Signing and voicing idioms for advanced signers and interpreters.</i>
<b>Educational Objectives:</b>	<p>“Holy Cow,” A workshop like this only comes “once in a blue moon” and is guaranteed to “bring the house down.” So, “put yourself in someone else’s shoes,” “come out on a limb,” “and “go for the gusto”, while trying to “tackle” idioms.</p> <p>Now, I know “it’s easier said than done”, but “the bottom line” is you must “turn over a new leaf,” and implement idioms into your voice interpretations.</p> <p>I’m not “tongue-tied” when I say you won’t have to “read between the lines” in order to enjoy this fun, interactive and very useful workshop.</p> <p>This workshop requires “hands on” involvement from participants and is a must for all interpreters. The student of this workshop will not only learn to sign idioms with conceptual accuracy, but greater attention will be given to appropriately and readily interjecting such idioms into voice interpreting.</p>
